REHABILITATION
SERVICE**

OUR SERVICE

ONE Rehabilitation Service is an interdisciplinary team providing services to people with neurological conditions, including:

- Acquired Brain Injury
- Stroke
- Concussion
- Multiple Sclerosis
- Motor Neuron Disease
- Brain Tumour
- Parkinson's Disease

Our service was developed with the intent to provide high quality care through interdisciplinary services. Clients are able to access all their therapists at the same clinic or our therapists can travel to them.

OUR APPROACH

An interdisciplinary approach has significant benefits for our clients. It allows for a wide range of skills and knowledge to be brought together to assess and provide effective rehabilitation treatment plans and outcomes.

We use the latest technology and research to ensure that you have access to the best resources to facilitate your journey.

Our team of qualified and experienced Allied Health professionals include:

- Physiotherapists
- Occupational Therapists
- Speech Pathologists
- Exercise Physiologists
- Psychologists
- Social Workers

ONE Rehabilitation Service works with clients that have a compensation claim, are participants of the NDIS, Lifetime Support Authority, Return to Work SA, have private health cover or are self-funding their rehabilitation.
